Accessibility Compliance (ADA)

Nu Digital Marketing Agency ADA Compliance Accessibility (NDMA) is committed to ensuring digital accessibility for people with disabilities. We are continually improving the user experience for everyone and applying the relevant accessibility standards.

If you use assistive technology (such as a Braille reader, a screen reader, or TTY) and the format of any material on this website interferes with your ability to access information, please contact nudigitalmarketingagency@gmail.com. If you do encounter an accessibility issue, please be sure to specify the Web page, and we will make all reasonable efforts to make the page accessible for you.

Conformance status:

The Web Content Accessibility Guidelines (WCAG) defines requirements for designers and developers to improve accessibility for people with disabilities. It defines three levels of conformance: Level A, Level AA, and Level AAA. Our website is partially conformant with WCAG 2.1 level AA. Partially conformant means that some parts of the content do not fully conform to the accessibility standard.

Additional accessibility considerations:

Although our goal is WCAG 2.1 Level AA conformance, we have also applied some Level AAA Success Criteria: Images of text are only used for decorative purposes. Re-authentication after a session expires does not cause loss of data.

Feedback:

We welcome your feedback on the accessibility of our website: www.esgleeducationfoundation.net. Please let us know if you encounter accessibility barriers on the site:
